AUDITOR'S REPORT

To the Chairman of the
Medical Services Commission of British Columbia, and
To the Minister of Health
Province of British Columbia:

I have examined the balance sheet of the Medical Services Commission of British Columbia as at March 31, 1989 and the statement of operations for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Commission as at March 31, 1989 and the results of its operations for the year then ended in accordance with the accounting principles described in note 2 to the financial statements applied on a basis consistent with that of the preceding year.

MEDICAL SERVICES COMMISSION OF BRITISH COLUMBIA

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1989

1. *The Commission*

The Medical Services Commission was established, effective July 1, 1968, by the Government of the Province of British Columbia under the *Medical Service Act* and Regulations, to administer and operate the Medical Services Plan.

2. *Significant Accounting Policies*

These financial statements have been prepared in accordance with generally accepted accounting principles, except that the cost of furniture and equipment is charged to administration expense in the year of acquisition.

3. *Unpaid Claims*

The liability for unpaid claims represents unpresented and unprocessed claims for services provided, and is based on current year claims received after year-end and past claim experience and trends.

4. *Subscribers' Premiums*

Until April 1, 1988, all premiums under the Medical Services Plan were remitted to the Commission, with any deficiency in the funds to meet the necessary expenditures to be paid out of the Consolidated Revenue Fund. After that date, amendments to the Medical Service Act Regulations, approved by an Order-in-Council dated March 25, 1988, require that premiums under the Medical Services Plan now be remitted to the Minister of Finance and Corporate Relations. Money is now paid out of the Consolidated Revenue Fund of the Province of British Columbia to meet all the needed expenditures for the operation of the Plan.

5. *Contributions from the Province of British Columbia*

	1989	1988
	$	$
	(thousands of dollars)	
Contributions	949,697	502,666
Premium Assistance	145,416	102,334
	1,095,113	605,000

The *Medical Service Act* requires the Province of British Columbia to fund all the expenditures of the Medical Services Commission and to pay premium assistance for qualified subscribers whose incomes are below specified amounts. For comparative purposes, the figures shown for 1987/88 have been restated to be consistent with the presentation of the 1988/89 financial statements.

6. *Recovery due to Overutilization*

Under the terms of a memorandum of agreement between the Commission and the British Columbia Medical Assocation, the Commission is entitled to recover payments made for medical services in excess of an agreed amount, and considered to have arisen due to overutilization of the services. The recovery, if any, is recognized when a determination is reached between the parties regarding the overutilization of the services. The amount of the recovery is recorded as a reduction of expenditure.

A recovery in the amount of $11,862,326 with respect to overutilization of medical services in the 1986/87 fiscal year was agreed to by the parties in July 1987, and was recognized in 1987/88. For the 1987/88 fiscal year there was no recovery required. No determination has been reached regarding overutilization of the services for the current year.

7. *Relationship with the Province of British Columbia*

The Province of British Columbia absorbs certain administration and accommodation costs associated with the operation of the Commission. In addition, superannuation and leave entitlement liabilities relating to the Commission are recorded as obligations of the Province.

8. *Contingent Liability*

In the 1988/89 fiscal year an action was commenced by physicians in the section of Emergency Medicine of the British Columbia Medical Association claiming damages, together with interest and costs, for payments allegedly withheld by the Commission. The amount of the damages is not stated in the Writ of Summons served on the Commission. It is the opinion of the Commission's management and its legal counsel that the physicians have no cause of action.

NOTE CONCERNING THE FOLLOWING SCHEDULE OF PAYMENTS

The figures listing gross payments for the cost of insured services as listed herein on pages 7 to 35 under the heading "Schedule of Payments by the Medical Services Plan to Societies, Hospitals, Health Departments, Health Organizations, Practitioners, and Clinics for Insured Services" are being published in compliance with the *Financial Information Act*, S.B.C. 1985, c. 8 and B.C. Reg. 131/87 deposited May 8, 1987.

Persons reading these data should understand that they provide *only* a record of *gross* payments. Since practitioners must pay the expenses of their practice out of this gross amount, no calculation of a practitioner's net income can be made from such figures.

Furthermore, since overhead varies greatly from practitioner to practitioner, and since in some instances the recorded figure is a payment for the services of a number of practitioners, no conclusions can be drawn from these figures about the relative net income of any practitioner.

SCHEDULE OF PAYMENTS BY THE MEDICAL SERVICES PLAN TO SOCIETIES, HOSPITALS, HEALTH DEPARTMENTS, HEALTH ORGANIZATIONS, PRACTITIONERS, AND CLINICS FOR INSURED SERVICES

The following is a list of gross payments made for the cost of insured services, showing each individual account in an amount of $5,000 or more paid during the fiscal year ended March 31, 1989, and showing all other accounts paid as a consolidated total. These are gross amounts listed alphabetically by person, group, clinic, or hospital to which or in respect of which payment was made, and in some instances payment includes services rendered by a number of practitioners.
